

Why Larkspur

Larkspur Builders has delivered public work across southern Minnesota for 31 years.

Safety: Our Experience Modification Rate is 0.84 (2023), well below the industry average of 1.0.

Relevant experience

Garfield Elementary School Addition, Mankato Area Public Schools. CM at Risk. \$8,700,000 GMP. Under construction, completion August 2024.

Blue Earth County Library Renovation. CM at Risk. \$6,800,000. Completed 2023.

Preconstruction approach

Our estimates at schematic design have averaged within 3% of the final GMP on our last ten CMAR projects.

We hold a subcontractor outreach meeting in the project's county before every bid package and track participation by package.
